

AITA 2017

Québec City, Canada
September 27th - 29th, 2017
Conference venue: Université Laval

The 14th **AITA 2017** (*International Workshop on Advanced Infrared Technology and Applications*) will provide opportunities to network, showcase and learn with, and from all involved in this field. Interestingly, the *VIIIth* edition of the *International Workshop on Advances Signal Processing for NonDestructive Evaluation* (**IWASPND**, Quebec Workshop) will take place as a simultaneous event. Do not miss also the opportunity to visit Québec City, Canada!
